

TMS

GRADUATE STUDENT PROGRAM

Introducing a membership package that meets the unique needs of graduate students pursuing careers in minerals, metals, and materials.

TMS is a professional association that connects minerals, metals, and materials scientists and engineers who work in industry, academia, and government positions around the world.

As a graduate student member, you can:

Network:

Connect with industry professionals, national lab scientists, post docs, and fellow graduate students from around the world.

Build your Resume:

Participate actively in TMS, connect with leaders in your technology area, and take on volunteer roles through TMS technical committee membership.

Contribute Your Ideas:

Sit on the Graduate Student Advisory Council and share your insights with TMS leadership.

And much more!

“TMS has significantly benefited my work and professional development during my attendance at the TMS 2023 Annual Meeting & Exhibition, where I was able to present my research and connect with other researchers working in similar areas.”

—Cynthia Rodenkirchen,
*2024 International Symposium on
Superalloys Graduate Scholarship Recipient*
